

Open Auditions

Any student at UHS, regardless of grade level or experience is invited and welcome to audition for this year's musical. Auditions are scheduled for November 14 and 15 after school. Sign up for a 5-minute time slot for one of those days outside of Room 52.

Audition Requirements

Two songs – preferably contrasting styles and preferably from Broadway musicals.

Prepare two 1-minute segments of two different songs. You may sing them a cappella or with karaoke-type accompaniment or piano accompaniment (get music to Mr. Kolar in advance with cuts, if you wish him to accompany you on the piano).

One monologue – preferably comedic and from an actual play or musical

Prepare a 1-minute monologue from a play or musical.

Independent judges will score songs based on tone quality, stage presence, pitch, and rhythm. Monologues will be judged on character, enunciation, projection and stage presence.

Content of songs and monologues should be kept school-appropriate.

The use of feasible and appropriate costumes and props are allowed.

Wear something appropriate for movement as a dance judge will teach a short routine in small groups and then judge for teachability, rhythm and other dance skills.

Callbacks and cuts will be posted on Wednesday, November 16.

Callback auditions will be held on Thursday, November 17 or Friday, November 18. The show and cast list will be posted before Thanksgiving break and rehearsals will begin on Monday, November 28.
