## Note from the Principal:

February is Friendship Month. During morning meetings students will be learning how to be a good friend. This is part of the Second Step curriculum. Friendships at the elementary school are very important to students. This month the students will learn the qualities of a good friend and how to keep friendships positive.

The PTC will be providing Ice Cream and Water for the Valentine's Parties. Parents will be asked to send in the water and ice cream toppings.

The school raised over \$6,000 for the Heart Association with the Jump Rope for Heart. Mr. Scheuler will be dressing as Spider Man and he and Mr. Gaither will be "pied" on 2/14

There is no school on Monday, February 17th. This is a professional development day for staff.

**February 20th is the end of the trimester (report cards will be sent home on Feb. 24th) and there is a PTC meeting that evening at 6:00 PM in the cafeteria**

Monongalia County Schools are moving toward a School Cash Online payment method for paying for school items including field trips, T-shirts, etc. The service will be available beginning on January 9th. Please consider registering for this service. It is an app that you put on your phone or another device. If you have issues registering, there is a 24 hour help desk that is available - 1-866-961-1803 or an e-mail link on the registration process.

*Congratulations to Tahseen Rahman for winning the Geography Bee*
