

Accessing Your SAT School Day Results

<https://www.collegeboard.org/>

If you already have a College Board Account your scores will appear within your already established College Board Account.

If you have never created a College Board Account, you will need to create one.

Creating a College Board Account

Indicate that you are a student

You will then create an account by providing the following information

1. Legal Name (as entered on your student records)
2. Date of Birth
3. Sex (Male or Female)
4. Home Zip Code
5. Expected Graduation month and year (example: May 2019)
6. High School Name
7. A Non-School Email address that can be accessed after graduation

You may also choose to provide information for your parents. This will enable you to add your parent's email address to be included in important College Board communications. *This information may be added/updated at a later time*

This account can also be used to practice for future tests with Khan Academy
