*Above information is used according to the 21st Century Grant guidelines. Information is recorded in the WVEIS database and is strictly confidential, and used only to track quantifiable data. The information in this registration packet is merely to satisfy data requirements issued by the grant in which SOAR can operate. Not participating does not posit any negative consequence for the student—however, the information here is required in order to be able to participate in tutoring, and enrichment programming. Participation allows us to continue our services without charge as it is proof to the grantor that our services are needed. University High School SOAR offers afterschool services throughout the 2019/2020 academic year. Filling out this form will allow students to attend any of the programming offered by SOAR through the 2019/2020 academic year. The SOAR program requires that students adhere to the Monongalia County Board of Education and The Mountaineer Boys & Girls Club guidelines and procedures. I have read the completed application, understand the rules of SOAR and request that my child be admitted into membership. I have explained the rules to my child and agree that SOAR will not be responsible for any accident to the student while on premises or while engaged in activities away from University High School.
