The American Recovery Act of 2021 provides funding for schools to cover expenditures for Internet services and connected devices for students lacking such off-campus access. To help Monongalia County determine our needs for the coming school year, complete and return the following survey.

Home address: _____

Telephone: _____

1) Number of students residing in your household who will attend Monongalia County in the upcoming school year:

2) Do you have Internet at home? Yes _____ If yes, provider name: _____

No _____

3) If yes, do you have sufficient internet access in your home to allow each school-age child to complete internet-based homework assignments and/or to participate in online video classes simultaneously?

Yes _____ No _____

4) If no, please test your connection and enter the speeds by going to : <https://broadband.wv.gov/west-virginia-internet-speed-test/>

Upload: _____ Download: _____

5) Please list the students in the household who need access/need additional access to the Internet below.

Name _____ School _____ Grade _____

By answering "No" to question 3 above, you certify that the student(s) residing in your household would be unable to sufficiently participate in remote learning or complete Internet-based homework assignments if connected devices and/or Internet access were not provided by Monongalia County. You agree that any equipment provided as part of this process will be returned to your child's school or Monongalia County upon completion of this school year or the student leaving the district, whichever occurs sooner. Completing this form does not guarantee a device.

Signature _____

Date _____

Printed Name of Parent/Guardian _____
