Teachers will be available to assist via email or phone call. Lunch for students will be made available at each and every school from 11am until 1pm. Please bookmark the school or county website for our Coronavirus info page – for the latest. There is a lot of information on this page – and we will keep it up to date. This pandemic is a very fluid situation – and our goal is to keep you updated as much as possible – with the information we have to work with. Please follow CDC recommendations. Hopefully, this situation ends sooner than later and we can all go back to our normal lives.
