Carson Shriver

Carson Shriver, a junior, at Clay-Battelle High School plays quarterback, running back, line receiver, and outside linebacker for the Cee Bees. Last Friday, during a victory game against Valley Wetzel, Shriver reports that some of his game highlights were his 183 rushing yards on 9 carries and 3 touchdowns. Shriver continues to be a vital member of our home team.

When asked how he found his love for football, Carson remembers growing up and watching his older brother play on the 2014 team who played at the state playoffs. Shriver says he "hopes to live up to his legacy."

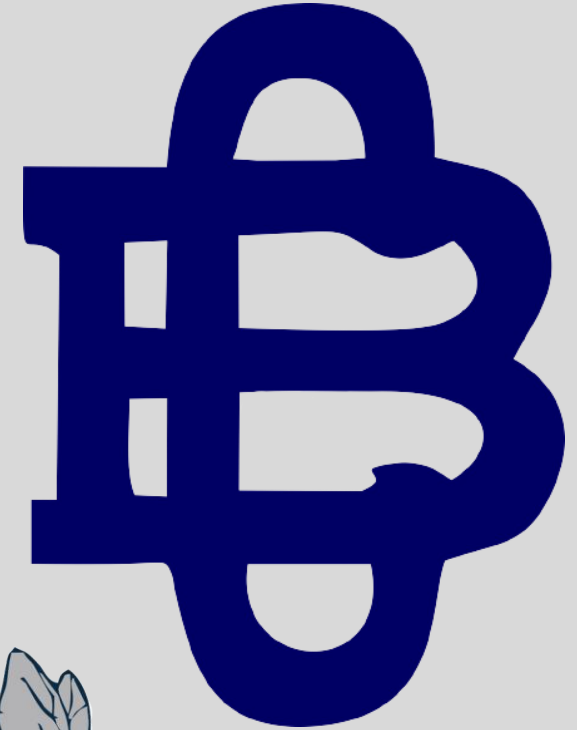

Shriver also comments that some of his favorite memories about football revolves around playing with teammates who "feel like family."

In the future, Carson hopes that he will be able to play football in college. Here, at Clay-Battelle, we are wishing him the best of luck. Go Cee Bees!
