

## The EDGE Program Explained for Monongalia County Schools' Students

### What is EDGE?

EDGE is an acronym that stands for “Earn a Degree, Graduate Early,” and is a program implemented by the WV Department of Education, in cooperation with Community and Technical Colleges (CTC) to help students who take Career and Technical Education (CTE) classes, graduate from college early.

### Who earns EDGE credits?

Any student who earns a C or better in an approved CTE course, completes a FREE EDGE Transcript Request form, and attends a Community and Technical College (CTC) for at least one semester may receive EDGE credit.

### What CTE classes are approved for CTC credit?

Each college has an approved list that can be found on the WVDE EDGE page, currently at this location <https://wvde.us/wp-content/uploads/2019/06/2019-EDGE-Search-by-College-Updates.xlsx>. Provided is a more user-friendly version of that list. However, it is difficult to guarantee the accuracy of the list as colleges may change their approved courses at any time. Colleges also, typically, provide their own approved EDGE Course Offerings list on their websites. Pierpont CTC's list can be found at the website [https://www.pierpont.edu/sites/default/files/2019-20\\_EDGE\\_Course\\_Offerings\\_5-21-19.pdf](https://www.pierpont.edu/sites/default/files/2019-20_EDGE_Course_Offerings_5-21-19.pdf).

### What is the relationship between Pierpont Community and Technical College (PCTC) and Monongalia County Technical Education Center (MTEC)?

While all CTE's offer EDGE credits, MTEC and PCTC are both members of the North Central WV Consortium, and as such partner to negotiate approved courses consistent with programs available at both schools.

### What is the Pierpont EDGE Scholarship?

The \$1,000 Pierpont EDGE Scholarship may be applied for by students who meet all of the criteria, using the application provided at this site <https://www.pierpont.edu/sites/default/files/FY18-19-EDGE%20Scholarship%20Form.pdf>. The deadline is March 15.

### How do I apply for the EDGE credits that I have earned at Pierpont?

Students may apply for Pierpont EDGE credits at <https://www.pierpont.edu/edge-request>

### How do I apply for the EDGE credits that I have earned, if I would like to attend another CTC?

Students may apply for EDGE credit with the CTC of their choice at this website <https://wvde.us/governors-economic-initiatives/student-opportunities/edge-transcript-request/>

### Who do I contact if I still have questions about EDGE?

You may contact your school counselor or either of the counselors located at MTEC, Mrs. Lezlie Lough, [llough@k12.wv.us](mailto:llough@k12.wv.us) or Ms. Angie Copeland, [arcopeland@k12.wv.us](mailto:arcopeland@k12.wv.us). Both may be reached by calling 304-291-9240.

Monongalia County Schools Career and Technical Education Classes that Qualify for EDGE Credit by College
